Pictorial Mark Logo Pictorial marks are very popular because they communicate more about a brand than an abstract logo mark. A pictorial mark features a graphic image or illustration of something that clearly represents a specific company, product, or brand. The image itself may allude to the name of the company or its mission or it may be symbolic of a brand attribute.

CLEARSPACE AND MEASUREMENT

It is important to keep corporate marks clear of any graphic elements. To regulate this, an exclusion zone has been extablished around the corporate mark. This exclusion zone indicates the closest any other graphic elements or message can be positioned in relation to the mark of the symbol itself.

CLEARSPACE

An exclusion zone around the logo has been created to protect it's integrity and make sure the logo is easy to read. The height of the stroke is the logo is taken as a guide to define the exclusion zone.
